We offer two different rates: Our Flexible Rate allows free cancellation in accordance with our General Terms and Conditions and is payable on site (this also applies to our special offer rates). For guests who plan well in advance, we offer our Early Booking Rate: it can be booked up to 14 days prior to arrival, is non-refundable and non-changeable, and must be paid in full at the time of reservation.

For our Flexible Rate (including our special offers), the following cancellation conditions apply: The hotel grants free cancellation for reservations of more than 15 rooms up to 6 weeks prior to arrival; for 6–14 rooms up to 4 weeks prior to arrival; for 3–5 rooms up to 2 weeks prior to arrival; for 1–2 rooms up to 1 week prior to arrival. For apartments, the hotel grants free cancellation up to 1 week prior to arrival. By way of exception, the hotel grants free cancellation for reservations over Easter and for the period from December 24 to January 2 up to 4 weeks prior to arrival.

Prices are per day and include participation in the breakfast buffet and use of the EidenSpa. Reservations from Friday for 1–2 nights or from Saturday for 1 night are bookable exclusively including half board; in this case, the stated prices increase by EUR 37.50 per person per day. If you choose not to take advantage of half board on the days mentioned above and dine à la carte instead, we will credit EUR 15 per person against the half-board price. Our half board consists of the five-course Eiden Menu: help yourself to our salad buffet as you please, followed by soup or an intermediate course served at the table. For the main course, you may choose between a fish, meat, or vegetarian option. This is followed by a selection of cheeses from the buffet, and the meal concludes with fine creations from our patisserie. Our prices are subject to demand as well as the time and period of booking; we are happy to assist you in finding the best available offer. In general, overnight stays from Sunday to Friday are less expensive than weekends.

During the high season (May to October), the following rules apply: On Saturdays, a minimum stay of 2 nights is required. Single rooms can only be booked with a minimum stay of 5 nights. Requests for a specific room number can be fulfilled from a minimum stay of 7 nights. Superior double rooms on the lake side can be firmly booked from 7 nights, or on a specific floor from 5 nights. During the low season, the following rules apply: Requests for a specific room number can be fulfilled from a minimum stay of 5 nights. Superior double rooms on the lake side can be booked from 5 nights, or on a specific floor from 1 night.

A full-page photograph of a luxurious outdoor pool. In the foreground, the clear blue water of the pool is visible with gentle ripples. To the left, there are several lounge chairs with cushions and a small table. In the background, a glass-enclosed structure, possibly a greenhouse or spa, sits on a grassy area. Behind it is a dense line of green trees. The sky is bright blue with scattered white clouds. The text 'A REAL RETREAT' is centered in the upper half in a large, white, serif font. Below it, 'Time to relax' is written in a smaller, white, cursive script.
